## Annual Home & School Institute Held at Lomond

The Institute of the County of Vulcan Council of Home and School Associations was held in the Lomond Community Hall on Saturday, Feb. 11.

Registration began at 10:00 a.m. At 10:30 Ross Ruggles, president of the Council, officially opened the meeting. The invocation was given by the Rev. Oliver Hoel.

Mrs. P. M. Gallagher of Brant, the Regional Director, welcomed the meeting of 73 interested people. She stressed the importance of sending delegates to Home and School Conventions, and the necessity for each Home and School Association to fill out nomination forms sent to them by the Federation. She defined this Council as being under the directorship of the Regional Director, financed by the Federation of Home and School Associations, and formed for the purpose of working at the local level.

The Creed was read in unison, lead by Mrs. Edna Magnuson of Lomond.

The business meeting followed with President Ross Ruggles in the chair, and Mrs. Violet Huff as Secretary-Treasurer. A motion was passed to rotate the Council meet-

Donald Houlton scored 24 points to lead his Grade 12 team against High River in the day's basketball play which saw Vulcan boys win 47-34.

Dave Collier was good for 14 points and Barry Deal scored five. Donald Salken and Roy Bjornson each got two points to complete local scoring.

Vulcan girls:— B. Coombes, K. Haverty, C. Cummins, J. Boutland, J. Leslie, J. A. Matlock, S. Treber, B. Budd, K. Knive.

Vulcan boys:— D. Collier, J. Ruark, D. Salken, G. Rhodes, R. Bjornson, B. Deal, D. Houlton.

Graduation ceremonies at RCAF Station Portage la Prairie marked the completion of almost two years of flying training for Flight Cadet DL Beckner, son of Mr. and Mrs. C. L. Beckner of Milo.

Group Captain J. R. Frizzle, CD, Commanding Officer, presented the pilot's wings to the ten Canadian and two Norwegian students who comprised the course. Flight Cadet Beckner who has trained on Chipmunk, Harvard and T-33 aircraft will now proceed to the all-weather operational training unit at Cold Lake where he will learn to fly the CF-100 jet Interceptor. On completion of his operational training, Flight Cadet Beckner will serve with one of Canada's CF-100 squadrons in Canada or Europe. Flight Cadet Beckner received his commission as a Flying Officer simultaneously with the presentation of wings.

## County Shows Surplus On 1960 Operations; Tax Collections Good

For the first time in its ten-year history the County of Vulcan No. 2 showed a sizeable surplus, the financial statement for the year 1960 reveals. The surplus resulted mainly from larger-than-anticipated provincial government grants.

Total revenue during the year was $1,692,013, derived about 50% from taxes of $840,343. Government grants amounted to $697,901, requisitions from other collecting authorities totalled $91,072 and miscellaneous revenue was $62,697.

Expenditures for school purposes totalled $910,483, for municipal (public works) purposes, $656,742 and for general government (administration) $67,496.

In his annual report, County Chairman J. E. Carlson commented on the fact that despite severe hail storms throughout the County last year ratepayers continued to maintain their excellent tax payment record, with 94.35% of the 1960 levy being collected.

William Munro was elected chairman of the meeting and D. D. McQueen acted as secretary. About 100 ratepayers were in attendance.

Mr. Carlson's report and those of Jack Dietz, municipal committee chairman, and J. M. McKay, school committee chairman, follow.

**REPORT OF J. E. CARLSON**
Chairman, County Council

As Chairman of the County Council, it is once more my duty and privilege to report to you and give you an account of the council's activities.

The County of Vulcan has enjoyed a large measure of prosperity during the year 1960, although we did suffer a very disastrous hail storm in many parts of the area, and we also had some damage by drought. The areas have ben checked for Prairie Farm Assistance and the results of the survey are being received in the office periodically at the present time. These have been published in the local Vulcan Advocate.

In spite of this set back, County ratepayers continue to maintain the excellent tax collection record. Uncollected taxes at Dec. 31, 1960, were $163,988.99. This amount follows very closely the figure of 1959. The amount of money collected was $792,591.55, or 94.35% of the actual 1960 levy. The 1960 levy which remained unpaid was $102,914.61, or 12.25%.

Total government grants this

### This Is Boy Scout Week

This is Boy Scout Week throughout the world and here in Vulcan a group of Scouts and leaders opened the week recently with a Saturday and Sunday camping expedition near Carseland.

This week a window of Vulcan Pharmacy has been given over to display by Scouts and Cubs who have neatly arranged their badges, awards, scale models of projects and other Scouting symbols in front of a poster bearing a picture of the founder of the Scouting movement, Lord Baden Powell. On the poster is the printing, "We the Scouts and Cubs of the world dedicate this week, Feb. 19-26 to our founder, Baden Powell.

To wind up the week, a father and son banquet will be held Saturday night, followed by a church parade, Sunday morning at which Scouts, Guides, Cubs and Brownies will parade to the Church of Christ where service will be held.

John Wolfe New President

## Report Shows Board of Trade Had Active Year

A resume of the past year's activities was given by out-going president D. H. Galbraith of the Vulcan and District Board of Trade, at the annual luncheon meeting Monday noon, before turning over the leadership of the Trade Board to new president John Wolfe.

Major activities of the Board during the past year included the sponsoring of a dinner for the Legion curlers who took second place in the Dominion playdowns in Prince Edward Island; supporting the construction of an airstrip for the Vulcan Flying Club which gives a light aircraft landing place within walking distance of downtown; sponsoring of a successful Shoppers' Day in conjunction with the completion of paving the business section streets; organization of the Rural Fire Protection Co-op, which now has over 190 members and has this month let tenders for a new fire engine; placing of the big Christmas tree downtown; organizing the campaign for uniform Monday closing of retail stores; and the sponsorship, in co-operation with the Department of Agriculture, of the annual two-day agricultural short course.

**New Officers**

The following slate of officers for the Board of Trade for the next 12 months was approved:

John Wolfe, president; Douglas Wilson, 1st vice-president; David Mitchell, 2nd vice-president. Committee chairmen: Earl Ericksen, membership; Douglas Wilson, business and retail; Bill Richardson, roads and light; Harold Hansen, agriculture; Wesley Fulton, finance. Directors are: Stuart Joiner, Ivan Haga, Arthur Cutforth, Donald Mitchell, Art Leoni and George Wisener.

### 'Spiels Keep Curlers On Go

John Wolfe and his rink of Vernal Haga, Glen Graham and Harold Mensinger walked off with top money at the ackpot 'Spiel in Vulcan on Feb. 12, when they defeated the Mike Jantzie foursome of Don Green, Mel Jordan and Earl Brinton in the final. Winners of the consolation side was the Holton rink from Coutts who won over Bill Burley's rink from Brant.

* * *

The Vulcan Legion foursome of Harris Matlock, Ray Wellman, Jim Jensen and Roy McLennan left on Wednesday for Yellowknife, N.W.T., where they will participate in the Alberta Legion Curling finals with the winner advancing to the Dominion. Finals at Trail, B.C., early in March. This is the same rink that last year were runners-up for the Canadian Legion Dominion Title at Summerside, P.E.I.

* * *

A number of Vulcan men's rinks took in the Milo bonspiel last week and most of them made the prize list somewhere along the line. The J. Wolfe foursome won the third event; Gale Atkinson and his rink got a 3rd in the first event; while the Neal Dumka quartette came home with a 3rd prize in the second event.

* * *

Three Vulcan ladies' rinks invaded Champion last wek for the Ladies' 'Spiel and all made the jewellery. Thelma Haverty's rink of Ethel Banks, Gwen McKay and Laura Houlton took top honors, winning the first event; Irma Middleton's foursome of Hannah Matlock, Dora Willard and Al Lucas copped 2nd prize in the second event; while Mabel Rea and her rink of Mae Webb, Veda Boutland and Mabel McIntyre got a 4th in the second event.

### FUA Convention At Claresholm

At an executive meeting of District 12, FUA, held at the D. H. Galbraith home on Feb. 9, arrangements were completed to hold the annual District 12 conference at Claresholm on June 15, 1961. Ed Nelson the FUA provincial president, will be the guest speaker at the noon banquet.

C. J. Versluys of Champion was named to attend the Advanced Leadership Course at Banff, Feb. 26 to March 11, with Mrs. May Huddlestun of Twin Butte as alternate.

Following the resignation of Janet Leslie of Mossleigh, Dale Wyatt of Vulcan was elected by acclamation as the new Alternate Junior Director.

Address By Ross Henry

## Canadian's Viewpoint Of Farming In Russia

Ross Henry, well known farm commentator of Radio CFCN, Calgary, was guest speaker at the annual Board of Trade luncheon on Monday of this week. His interesting subject was agriculture in Russia as seen during a two weeks tour he made last year in company with a group of Canadian farmers. Mr. Henry was introduced by D. H. Galbraith, Board of Trade presidnet.

Russia is a country twice the size of Canada and with a population of over 200 million. Its people are of several different racial origins, ranging from the White Russians to those of definitely Asiatic stock. It is principally an agricultural nation — a nation of peasants — with a much lower standard of living than enjoyed by western countries, said the speaker.

The state controls most business and agriculture and there is little in the way of free enterprise. Mr. Henry found the people to be friendly but reserved.

Despite the swing to industrialization, about half of Russia's people still live on the land, but agricultural production is not high. There are collective farms and state farms, both of which were described briefly by the speaker.

The collective farm visited by the Canadian group employed 600 men and 1,000 women on about 20 sections of land. The farm was a community within itself, with its own schools, hospital, etc., and kindergartens where children are taken care of at a very early age while the mothers work. Equipment and methods of farming were such that productivity was not very high. Each member of the collective has a small plot of land for his own use. Production of the rest of the land is pooled, with 10% of the gross going to the state. The state sets the production quota and buys the quota. Production above the quota can be sold on the open market. In the Ukraine, where this particular farm was located, farm homes were found to be very plain and lacking in modern conveniences.

A state farm is different from a collective farm in that it is operated like a factory under a manager. Workers are paid wages and incentive awards are made to keep production at a good level. Equipment is better than on collective farms, allowing a smaller staff to be used. Cattle on both types of farms were of the dual purpose type.

Replying to a question regarding what the future might hold for sales of Canadian wheat to Russia and other communist nations, Mr. Henry said that bad harvest conditions last year led to the importing of some Canadian wheat this year by Russia and some other communist countries, but these nations should not be counted upon as steady customers for Canadian wheat.

Appreciation of the audience for the opportunity to hear Mr. Henry was expressed by Harold Hansen.

## Armstrong Top Winner At Milo Open Bonspiel

Two Milo rinks and one Vulcan rink were the event winners at the annual men's open bonspiel held at Milo Feb. 13-18. Winner of the first event was Buster Armstrong's Milo aggregation and Earland Anderson's quarete took the second event. The third event was won by John Wolfe's Vulcan rink.

### Fire Damages Machinery Shed

Damage running from $2,000 to $3,000 resulted from fire to the workshop and machinery storage building of M. R. Morrison Ltd., Massey-Ferguson agency, Wednesday afternoon, Feb. 15.

Vulcan Fire Brigade was called at about 1:30 p.m., when an overheated coal furnace caused fire along a dividing wall in the building which spread to the sawdust insulation in the walls and ceiling. The major fire was quickly extinguished but water was poured into the walls and ceiling for two hours before it was considered out.

One-quarter of the roof was damaged, windows were broken and the interior of the workshop was scorched. No machinery was lost but nine tractors were run up the street away from the building.

Four officers and 12 men of the fire department responded to the call and had their coldest experience of the winter with the temperature at zero and a 20 m.p.h. north-east wind blowing.

* * *

A second call was received by the brigade at 8:00 a.m. Thursday morning when the box of a Webb's Transport truck was involved in a short fire involving propane, used to heat the interior of the vans.

## ClaresholmRailway Crossing Beirg Investigated

Arrangements are being made for an engineer attached to the Board of Transport Commissioners to meet with representatives of the Town of Claresholm in the near future to discuss the level crossing at Claresholm.

This information is contained in a letter from Dr. Lawrence E. Kindt, MP for Macleod constituency, who says since the beginning of the session he has had further discussions with the Board of Transport Commissioners as to the crossing.

Dr. Kindt says: "The purpose of the meeting (between the engineer and town representatives) is to discuss all angles of the situation with local authorities and also to inspect the site of the level crossing. It will then remain for the engineer to make a report to the Board of Transport Commissioners at Ottawa, on the basis of which will hinge the action to be taken. Therefore, may I suggest every effort should be made to prepare your case and present the facts so that we may hope for an affirmative conclusion."

Dr. Kindt adds several "excellent" photographs of the level crossing have been received from [illegible] Andersen and turned over to the Board of Transport Commissioners. "Those photos will undoubtedly prove to be extremely useful and helpful in this case."

## ENSIGN

Mr. and Mrs. L. E. Elston of Spanaway, Wash., is at present visiting at the home of their son-in-law and daughter, Mr. and Mrs. Bill Turley.

Ron McKay of Edmonton was a visitor at the home of his uncle and aunt, Mr. and Mrs. B. Brown last Monday.

Mrs. Doug Loose and Betty Ann spent the first part of this week at the home of her parents, Mr. and Mrs. B. Brown.

Earl Mote from Olds spent the weekend at the home of his parents.

**Ladies' Aid**

The regular meetin gof the Ensign Ladies' Aid was held on Feb. 15, at the home of Mrs. Henry Hansen with 10 members and five visitors present.

It was decided to make donations to the Children's Hospital Aid Society and to the Institute for the Blind. Plans were made for a tea and bake sale in the spring. The entertainment was arranged by Mrs. Atkins. The surprise box was donated by Mrs. Kennedy and won by Mrs. Bride.

The next meeting will be held on March 15, at the home of Mrs. David Ruark. A lovely lunch was served by the hostess, assisted by Mrs. Ruark.

**SAUNDERS — KENNEDY**

The alter of the Ogden United Church, Calgary, was decorated with gladioli, mums and fern for the marriage of Marjory Darleen, youngest daughter of Mr. and Mrs. E. H. Kennedy, Ensign, and Garth Charles, only son of Mr. and Mrs. W. Saunders of West Bank, B.C. The Rev. J. F. Ball officiated for the twin ring ceremony which took place on Jan. 28, 1961, at 3:00 p.m.

Given in marriage by her father, the bride wore a gown of white nylon lace over taffeta featuring a three-tiered skirt, fitted bodice with square neckline and short sleeves. The taffeta cummerbund ended in a short bustle and sash in the back. Her shoulder-length veil misted from a dainty headpiece was trimmed with pearls and sequins. She wore long net gloves and carried a cascade bouquet of red roses and ribbon.

Mrs. Shirley Carey was her sister's only attendant as matron of honor and was attired in a pale green lace over taffeta gown on similar lines. Her head-piece and cascade bouquet were of white carnations.

Joseph Missett of Calgary was best man and Gerry Ingram of West Bank, B.C., acted as usher.

The mother of the bride chose a brown flowered dress with brown accessories and yellow corsage. The groom's mother chose a royal blue dress with rose and black accessories with a rose corsage.

A reception was held later at the home of the bride's brother-in-law and sister, Mr. and Mrs. H. Carey. The bride's table was centered with a three-tiered wedding cake in a nest of blue tulle flanked by tall tapers and flowers. Russell Both, uncle of the bride, proposed the toast to the bride.

The bride changed to a grey suit with black accessories. The young couple will reside at 211 22nd Ave. N.E., Calgary.

**ELEPHANT BRAND FERTILIZER PAID FOR THIS TRUCK**

This is an example of what can be bought with profits from the use of fertilizer. The money could have been used for a new car, home improvements or any one of the hundred things that make for better living.

**You make more money** in two different ways when you fertilize with Elephant Brand. You grow better grade crops which sell for higher prices; you get greater profit from each bushel because it has cost you less to produce each bushel.

**GROWING OATS?**

**You can make extra profits** of $6.25 per acre and even more by fertilizing your oat crop.

Here is an example of how fertilizer increases profit from oats.

| | |
|---|---|
| Increased yield per acre with ELEPHANT BRAND | 18 bus. |
| Value of increase (Oats valued at 50 cents per bushel) | $9.00 |
| Approximate cost of fertilizer (50 lbs. per acre of 11-48-0 on summerfallow)* | $2.75 |
| EXTRA PROFIT PER ACRE | $6.25 |

*Oats on stubble, when properly fertilized can show equally profitable returns.

## MAJORVILLE

Birthday congratulations and good wishes go to Mrs. Francis whose 75th birthday is Feb. 25.

Miss Shirley Yeates from Calgary spent a recent weekend at the home of Mr. and Mrs. David Deitz.

Mr. and Mrs. George Heather went to Armada on Saturday to attend the shower dance in honor of their son-in-law and daughter, Mr. and Mrs. Allan Chambers.

Winners and losers at the last Liberty card party were Mrs. Alf Heather and Dick Hodges. Mrs. Ray Wellman and Wendy Godkin tied for ladies low and draw for the prize going to Wendy; Gordon Ensign was low man.

Several ratepayers went to Vulcan on Saturday for the annual County meeting.

Mrs. Freda Prentice was a supper guest at the home of Mr. and Mrs. C. Anderson in Milo. The occasion was Mr. Anderson's 92nd birthday. Best wishes from all his friends are extended him.

On the occasion of her eighth birthday Patsy Bartsch entertained a number of young friends on Feb. 18th.

Among the guests at a shower welcoming Mrs. Jim Umschied to the community were Mrs. Elmer Dovey, a former resident of the East Majorville district. Before her marriage Mrs. Dovey taught school at Liberty. She and her husband are down from the far north and are spending the winter in Calgary.

Mrs. Francis and Mrs. Prentice were in Calgary during the week and were guests of Mr. and Mrs. Russell Mills. They also visited with Mrs. Anne Smith.

Get well wishes are sent to Ray Wellman who suddenly took ill while in Calgary on Thursday. He is a patient in the General Hospital. Mrs. Wellman is staying in Calgary for a while.

Lyle Greaves who broke two bones in his wrist about eight weeks ago had the cast removed on Saturday. Friends will be happy to hear that the wrist is all right again.

Mrs. Leonard Vooys went to Lomond on Saturday where she will stay for a time with her son-in-law and daughter, Mr. and Mrs. Tim Ost.

Mrs. Hap Heather and family were overnight guests during the weekend of her sister, Miss Dorothy Clements in Calgary.

The past week has given the district a touch of winter and on a few evenings and in the early morning the temperature dropped to near the 20 below mark. For the first time in several weeks the snow plow was around clearing snow drifts as the change in weather pattern brought snow and winds. However days are lengthening and the sun getting stronger so the colder weather is easier to take.

### Milo-Queenstown F.W.U.A.

Nine members answered the roll call, "What I would do in case of road accident," at the February meeting of the Milo-Queenstown FWUA at the home of Mrs. Sandy Henry.

A bulletin on The Cameron Report on education was read followed by a comprehensive discussion both on the local and provincial levels. The treasurer reported that the sum of $47.00 was cleared from the bake sale held in Milo on Feb. 11; this was regarded as being quite good as it was a stormy afternoon. The raffle was won by Mrs. Leonard Vooys.

Mrs. Laura Sutherland was assisting hostess. The next meeting will be held at the home of Mrs. Jessie Umschied.

## QUEENSTOWN

Sympathy is extended to the Pal Nelson family in the passing of Mrs. Nelson's father at Toffield, Alta.

Get well wishes are extended to Ed. Fitzpatrick who has been a patient in Vulcan Hospital since Monday of last week.

# Repeated Warnings Given Farmers Against Doubtful Pig Purchase

Beware of an "unknown quantity" is Livestock Commissioner W.M.T. Mead's advice to Alberta Farmers contemplating putting deposits on unknown and unseen pigs. Reports received by the Department of Agriculture indicate farmers in several central and southern areas of the province, have recently been approched to buy breeding groups (three gilts and a boar) of the Palouse pig at $800. a group.

Copies of two different agreements which have come to the attention of the Livestock Branch, show that the vendor agrees to buy back all the offspring, with the exception of four sows and one boar, from the first four litters at $90. each. Mr. Mead points out that there is no stupulation in either agreement regarding the age at which they will be bought. One of the agreements states that the offspring from the first four litters that are acceptable breeding stock will be taken. The document does not, however, state who will determine what is "acceptable breeding stock."

Another agreement dated in October contained the phrase "approximate delivery date when cleared from quarantine." A check with the Health of Animals authorities on Nov. 14, revealed that there were no pigs in quarantine at their station at Coutts on that date and that there had not been any in the station for several weeks.

The Palouse breed of pigs was developed in 1945 at Washington Agricultural Experimental Station at Pullman, Washington. Landrace boars, from the U.S. Department of Agriculture Research Centre at Beltsville, Maryland, were crossed with Chester White sows. The purpose was to produce a "meat type" hog.

Bulletin No. 604, dated April, 1959, and obtainable from the Washington State College, reports that "some crosses were made to Landrace boars in the second and third years, but that since 1948 all matings have been made within the newly developed strain." The publication goes on to say that, "since 1947 stock has been released to farmers for trial. Boars have also been used for commercial production. Following acceptance of the breed for registration in 1956, meritorious animals in surplus of needs at the Pullman and Prosser Stations have been offered for sale as registered breeding stock."

The Palouse breed is not registered in Canada but is registered in the "Inbred Livestock Registry" whose headquarters are in Minneapolis. Mr. Mead points out that these pigs have not been tested in Canada and that there is no knowledge of their ability to meet Canadian market standards.

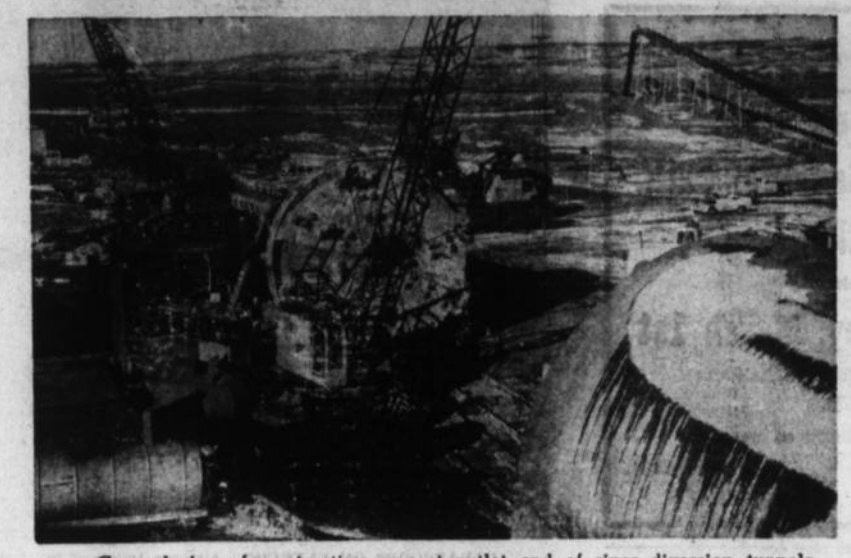

The top quality hogs from tested strains of Yorkshire, Lacombe, and Landrace breeds offered at the Alberta Spring and Fall Sales can usually be bought for less than $200 a head. In view of this, it would seem wise to think twice before investing money in pigs of an "unknown quantity" at prices equal to or above those of proven breeds.

## Reduce On Three Meals a Day

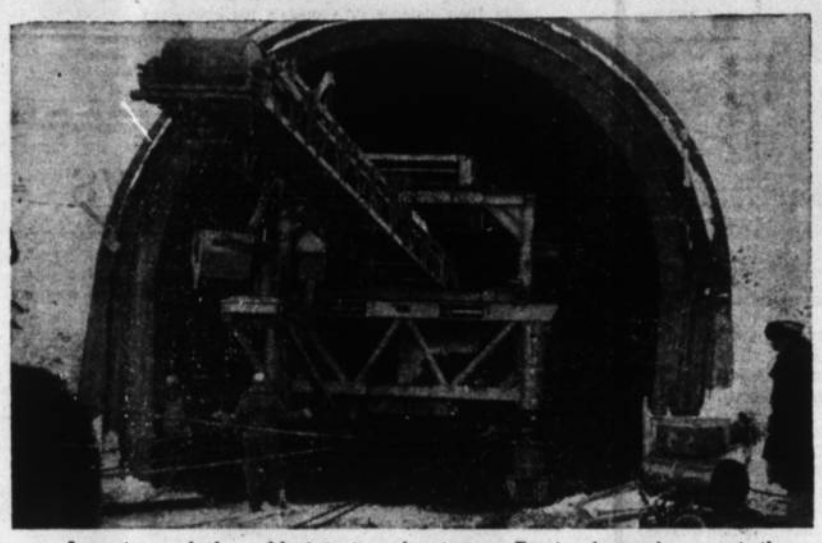

"My doctor recommended that I lose weight, but it had always been difficult for me to do. I heard of the Naran Plan and am delighted with the results. I have lost weight easily and I don't have to starve. I feel so much better after losing weight. I hope overweight people will try the Naran Plan. I am sure they will be pleased as I am."

MRS. M. LAUGHRAN
Port Arthur

Going without food can be as bad for your health as being overweight. You can reduce in a safe, sensible way which permits you to eat three meals a day and still lose weight. If you wish to reduce easily and sensibly, go to your drug store and ask for the Naran Plan.

## Last Call Goes Out For Tree Supplies

Don't miss the boat — get your orders in now for the trees supplied every year by the Alberta Department of Agriculture, to farmers and owners of small holdings. P. D. McCalla, Supervisor of Horticulture, reports that the demand this year has been greater than ever; his department hs already received 2,200 applications.

All the trees are provided, free of charge, for use as windbreaks and farmstead or roadside shelterbelts. The one stipulation is that the land must have been summerfallowed the previous year.

White spruce, rooted acute leaf willow, rooted China willow, Russian poplar cuttings, Manitoba maple, green ash, American elm and caragana are still available in fairly large quantities. Obtainable in limited quantities are Chinese bush cherry, Nanking cherry, chokecherry, Missouri currant and sandcherry.

The low growing bundles, made up of 50 trees, include dogwood honeysuckle, sandcherry, currant and Hansen rose. The tall growing bundles, which also contain 50 trees, are composed of Russian olive, Mayday, European red elder, Hungarian lilac and common lilac.

Application forms can be obtained from any district agriculturist's office or from the Field Crops Branch, Alberta Department of Agriculture, Edmonton.

## "The Canadians" To Play Vulcan Soon

The Canadians is a true story of three gallant men of the Royal Northwest Mounted Police.

Three men are instructed to intercept the dangerous leader of the Sioux nation, who has just annihilated General Custer at the battle of Bull Run.

They are to deliver an ultimatum to the Indian leader that the Indians can live in peace in Canada only if they obey the Queen's law. If they shoud disobey, they will be driven back into the U.S.

They meet and the terms are agreed to. A Montana rancher accompanied by three gunhands in search of a herd of horses he believes were stolen from him by the Indians, comes upon a small Indian camp, massacres the Indians, takes their horses and kidnaps a young white squaw.

The Mounties, fearful of reprisal by the Sioux, quickly locate the marauders and take them into custody. The murderers escape, taking the woman as a hostage. The Mounties pursue them and in a gun battle that follows the white squaw saves the life of the inspector. The escaping Americans are confronted by the Indian chief and his men at the top of a cliff and stampede over the cliff to their death.

No fighting has occured between the Americans and the Indians, but the Indians have legally taken their revenge and the Mounties go home.

"The Canadians," will be shown at the Vulcan theatre soon. See the theatre calendar for dates.

Britain's Hawker P.1127, the world's first vertical takeoff strike aircraft, makes its first untethered flight at an airfield at Dunstold, Surrey England. The aircraft gets its lift from four rotating nozzles located on the side of the fuselage. The P.1127 is powered by a Bristol Siddeley BS.53 lift thrust engine, which can also be used to give a rear thrust for normal flight.

ing from district to district annually. A second motion was passed, whereby the offices of president and secretary-treasurer are to be filled from the district where the annual meeting is to be held. The new officers for the year 1961-62 are: President, Mrs. Helen Sanderson, Champion; secretary-treasurer, Mrs. Phylis Hegland, Champion, and vice-president, Mr. Miller, Carmangay. Mrs. Gallagher suggested that a set of by-laws be drawn up to govern the County of Vulcan Council of Home and School Associations in future years. Mrs. Severtson of Champion moved the meeting be adjourned.

An excellent dinner was served by the Lomond Home and School Association. After dinner, Mr. Huff, Mayor of Lomond, spoke briefly extending a welcome from the village and best wishes for the success of the Council. The Milo Home and School Association provided entertainment in the form of modern square dancing.

At 1:00 o'clock the meeting reconvened with a Panel on the Cameron Commission Resolutions of 1960. The panel was composed of Dr. R. Kastings, C. B. Johnson, Mrs. C. B. Andrew, all of Lethbridge and H. H. Mumby, principal of Vulcan High School. A. L. Schrag, superintendent of schools, acted as moderator.

An interesting discussion of several resolutions proved very informative. The first resolution, regarding the extension of the languages, French, Latin and German to three years in our high schools, proved very interesting. Following this, the discussion centered on a resolution for providing a firmer foundation in arithmetic, spelling, reading and language skills through more intensive drilling in our schools. Another resolution on the Standardization of Finals for Grades ten and eleven brought forth a discussion which involved adequate testing and interpretation of results; parent-teacher interviews; guidance counselors, and further education other than academic courses.

This panel provided parents and teachers with much food for thought. Although it seemed that most of these problems are being solved in a competent manner in our schools today, there still remained two pertinent observations. First, the fact that all children are not matriculation students. Secondly, the question, "If the child cannot qualify academically, or simply drops out of our present school system, what have we to offer them?"

The guest speaker, Charles Linn of Lethbridge, stated that "apathy" — a lack of feeling or an indifference — is the greatest illness of today. Home and School members must bear in mind and work together for the development of student potential. In view of this the theme for their next convention is "Potential Unlimited." There are many kinds of potential and varying degrees of abilities which are not to be confused with "human worth." Every student must have a "Goal." Vocational courses are not inferior to academic courses. All people are equal in the educational field. However, we must face the trend to automation, to skilled jobs requiring a good basic education. As Mr. Linn stated, "The business of the Home and School Associations is to provide the opportunity for every child and every adult to reach their highest potential." Not finances, but happiness, character, decency and worthwhile action is the ultimate goal of education. In closing Mr. Linn remarked, "Your life is rich and satisfying only if the world is a better, richer place because you have been there."

The inspirational speech was followed by Home and School reports. Mrs. Rose Howg of Travers, Mrs. Sophia Jorstad of Brant, Les. Brown of Arrowwood, Mrs. Muriel Sokvitne of Lomond, Lawrence Smith of Milo, Mrs. Sanderson of Champion and Mr. Miller of Carmangay represented their County centers.

Refreshments were served by the members of the Lomond Home and School Association.

As County representative, J. M. McKay, school committee chairman, spoke to the gathering. He commented on the fact that the County of Vulcan was celebrating its tenth year of operation, after being formed from various parts of adjacent school divisions. The task confronted by the County Council and the people of this area has been to "blend these into a single unit —to think as one and the same people — not as separate areas." This, he felt, was exactly what was happening at this Council meeting of the Home and School Associations of the County. Mr. McKay also welcomed Travers into the County.

A discussion of local problems followed with Mr. McKay answering various questions from the floor.

The Institute of the County of Vulcan Council of Home and School Associations proved instructive and rewarding to those attending. The meeting was adjourned with the singing of "God Save the Queen."

## 4-H Club News

**Lomond 4-H Calf Club—**

On Monday, Feb. 13, at 3:45 p.m., the Lomond 4-H Calf Club met in the Lomond hall kitchen.

Bill Thompson the club president presided over a very good meeting. The 4-H Pledge was led by Ernie Ruggles. All members answered the roll call with the girth of their calves in inches.

Clarence Roth, District Agriculturist from Vulcan gave a very interesting talk on a 4-H member trip to 4-H week at Olds and the future of a boy or girl who plan to further their education in agricultural schools.

Plans for the public speaking competition and a possible talk on farm safetly were made. The evening of March 6, in the Lomond hall was very satisfactory to everyone.

On Wednesday, Feb. 15, the parents of the 4-H Club met in the hall kitchen to plan a 4-H banquet.

**Mossleigh 4-H Grain Club—**

The Mossleigh 4-H Grain Club held their meeting this month at Hagedorns with a good attendance. Jim Samaraden was chairman for the evening.

Final plans were made for the trip to the Little Royal in Olds. The blue prints for the church sign were turned in, so the members can start their project at any time now.

All the members agreed that it was fine to hold their public speaking eliminations the same night that the Beef Club hold theirs. The list of different projects in the club were made out with three juniors, five intermediates and five seniors. Victor Gateman, Jim Samaroden and Bob Hurl gave an outline of their public speaking speech.

Lunch was served by Bill and Frank Hagedorn.

### IN MEMORIAM

JOHNSON— In loving memory of our mother and grandmother, Mrs. Margaret Johnson, who passed away Feb. 22, 1959.

Without farewell she fell asleep,
With only memories for us to keep,
We have lost, but God has gained,
One of the dearest mothers the world contained.

—Fondly remembered and sadly missed by the Mel Nelson family High River. 29-nc

CUTFORTH— In memory of our loving father, Frank Cutforth, who passed away Feb. 20, 1960.

Loving memories will never die,
As years roll on and days go by,
Deep in our hearts a memory is kept,
Of the dear one we loved and will never forget.

—Ever remembered by all his family. 29-p

JACKSON— In memory of a loving wife and mother who died Feb. 26, 1950.

The years we spent with her are past,
But memories sweet remain,
Back to the road of yesterday,
Down each chreished lane.
Each dawning day our thoughts of you,
At eventide a prayer,
And in the hearts that loved you true,
You always will be there.

—Ever remembered by her husband, John Jackson, daughter, Jacqueline, father and mother, Mr. and Mrs. P. Fontana, Elmo, Elvino and Benny, Champion. 29-p

FREMSTAD— In loving memory of Ole Fremstad, who passed away Feb. 25, 1958.

—Lovingly remembered by his wife Maria and family. 29-p

JACKSON— In loving memory of our dear Elise who passed away Feb. 26, 1950.

We have only a memory dear Elise
To cherish our whole life through,
But the sweetness will live forever
As we treasure the memory of you.

—Ever remembered by her husband and daughter, father and mother and brothers. 1-p

## Letters to the Editor

To the Editor of The Advocate,
Dear Sir,

We would appreciate an opportunity to reply to the letter of the Mayor in last week's Advocate.

The executive of the Board of Trade met some time ago and discussed the Early Closing By-Law with a view to obtaining some unification of the closing hours in the Town of Vulcan.

Previous to this time various groups of merchants — barbers, beauty parlor operators, dentists, lumber yards, machine dealers, bulk fuel dealers and garages had made representations to the Town Council and had been exempted from the Wednesday afternoon closing to either Monday or Saturday. The net result is that we now have only three days in the week when all businesses in Vulcan are open.

Since Vulcan is an agricultural town it is of necessity a Saturday town and must remain open Saturday in order that out of town people may shop with their families. The concensus of opinion of the various people approached was that Monday would be the best day to close thus giving a four-day unbroken shopping week.

A committee was appointed to approach the downtown retail merchants who would be affected by the change. Of these merchants two were not in favor and the rest indicated that they were either in favor or were quite willing to go along with the change.

Many customers were polled and the result indicated that the majority of people felt that this was a move in the right direction.

Claresholm and High River had both previously tried Monday closing with a "Gentleman's Agreement," without success. On contacting these towns we were told that a by-law was an absolute necessity if Monday closing was to be effective.

Our delegation to the Town Council requested that the present by-law be changed so that the closing day of businesses now closing on Wednesday be allowed to close on Monday. This would give a four-day shopping week. It was our hope that the businesses presently closing on Saturday would soon see fit to fall in line with the Monday by-law and give a five-day shopping week.

Recently a family from out of town came in Saturday morning hoping to get some work done on their car and do some shopping. On finding no garages open for mechanical work they immediately headed for Lethbridge. If we are to compete with the cities for the fringe business of the County every effort must be made to serve these people when they come to town and to let them know what days all businesses are open. The banks, railroad station, post office and governmental offices are not effected by town by-laws and set their own closing hours province-wide.

While our approach to the Council requesting three readings and final passage of the by-law on the same night may have seemed hasty it was not without thought. Since the previous by-law had to be rescinded it would be necessary to pass another one the same evening or the town would be without any control over the hours of business for a period of time; hence our seemingly hasty request to Council. The by-law was passed unanimously on all readings and each reading was moved by a different councillor.

It is the sincere wish of the Board of Trade that this will stimulate and stabilize business in the Town of Vulcan. If such is not the case we will be the first to approach the Town Council requesting a change.

Your truly,
Executive of Vulcan and District Board of Trade.

## FWUA Meets At Berrywater

The February meeting of Berrywater FWUA was held at the home of Mrs. Rita Love, when 19 members answered the roll call, "What Assistance Would You Render a Highway Accident Victim?"

The members decided to again "adopt" their Indian son for another year. A committee volunteered to look into finding someone to run for Junior FWUA queen again this year. A goodly number of baked articles were auctioned off with Marge Love as a capable auctioneer.

Following the business portion of the meeting Mrs. Polly Horkoff gave a most interesting demonstration on making flowers from ribbon.

Rita, with her helpers served a nice lunch followed which the president, Mrs. Muriel Smith presented Rita with a picture for her new home, compliments of the local.

Members are reminded that the March meeting will be held at Jeanette Sinclair's home at 8:00 o'clock in the evening.

# Reports of County Committees

(Continued From Front Page)

year were $697,901.10 against $631,534.80 last year. Our Winter Works Program Grant amounted to $19,606.02. The County's financial position has improved considerably during the year 1960. At the begining of the year, our surplus account stood at $167,334.21, and at the end of the year, that is, on December 31st, 1960, the amount was $269,452.94. This is made up of the 1960 operating surplus of $57,290.69, tax arrears acquired from the Municipal District of Taber, $5,525.93, and funds collected from the sale of lands, $39,276.61, so you will see that our surplus increased slightly over $100,000.00.

Total revenue of the County for the year was $1,692,013.78, and the total expenditures were $1,634,723.09, which leaves a surplus of $57,290.69. The surplus was brought about mainly by the fact that our Provincial Government grants for school, highways and municipal assistance were approximately $50,000.00 more than estimated at the beginning of the year when our budget was prepared and the tax rate stuck.

The School Committee Revenue and Expenditure Account reveals the fact that the 1960 operations showed a slight deficit of $3,780.99. School expenditures in 1960 were $58,000.00 more than in 1959. The County area was enlarged at the beginning of the year 1960 by the addition of the Travers area. The County operated the two rooms at Travers, and it is expected that a special grant of some $3,000.00 will be paid to the County to compensate for the difference in the cost.

The Municipal Committee operated its department at a surplus last year of about $1,500.00 The Public Works allotment was underspent at about this figure — $1,541.84. The printed report also shows the amount of work done by that department.

The County made a grant to the Queenstown Seed Cleaning Ass'n., last year of the sum of $17,000.00, and the same amount was advanced by the provincial government.

thank the Councillors for their work on the Council, and the consideration given to our business. I also wish to extend the thanks and appreciation of the Council to all County employees for their loyal and faithful service.

The Queenstown Plant is now in operating, and serving the farmers of that area.

Information was given to us through the Speech from the Throne at the opening of the Legislature on Thursday, that some new legislation will be introduced to cope with the education costs in the province and to endeavor to maintain the present tax level. We are looking forward to the new legislation when it is brought down and are hoping that we will be able to maintain our present school tax rate as well as providing for increased costs.

Our other municipal activities seem to be maintaining a fairly uniform level, and with the present amount of provincial grants being maintained in the year 1961, we hope to be able maintain the tax rate at the same level as in 1960.

In conclusion, I should like to

**REPORT OF JACK DEITZ**
Municipal Committee Chairman

As Chairman of the Municipal Committee, or Public Works Department, of the County, it is again my pleasant duty to report on the road construction which was done by the County last year.

As there was very little rain to delay work, it gave our construction crews the opportunity to build the greatest number of miles of road in one season since the formation of the County ten years ago.

We should also give credit to the building of the new repair shop with the added floor space, under the management of Chester Rea, Shop Foreman, and his staff. We have had very good service in the repairing and maintenance of our road equipment.

Last season, the County construction crews, under the supervision of Martin Dersch, Construction Foreman, completed the building of 22½ miles of scraper road, and 75½ miles of elevator built roads. They also installed in new roads and otherwise 7,258 feet of various sized culverts. They also completed the installation of seven large culverts supplied by the Bridge Branch of the Department of Highways, the filling in of four new bridge which were built last summer by the Department of Highways on the West Arrowwood Creek. Also, we completed the dirt work for two major bridges which are being built this winter, even at the present time, on the Little Bow River in the south-west part of our County. One is on the Parkland road at the location South of the S.E. 13-15-26 and the other on the road north, West of the S.W. 26-14-25. The first bridge is three 50-foot spans of pre-cast concrete girders on concrete piers, and the other is a 5-span 164-foot long bridge which will have one steel span in the centre with two wooden spans at each end.

In addition to this, four miles of scraper built road were built by the Department of Highways on the contingency grant policy of the provincial government. This was located just west of Lomond on the main road to Vulcan.

In all, we have constructed 102 miles of new road during last year's season. Road construction is being done where it is most needed, and some years we do not get around to each division. It usually follows that these divisions get their share of work in the following year. In the last eight years, we have graded 616 miles of road in the County.

For the past three winters, we have been taking advantage of the Winter Works Program to do gravel crushing, stockpiling and gravelling road. Snowplowing has been practically nil, and has allowed us to crush large stockpiles at various pits, and of course, we did gravel a large number of miles of road during these winter months. At the present time, we are well equipped with snowplows. Should we have a snow storm, we have nine plows with wings, and if necessary, we will operate two of these snowplows 24 hours a day. The equipment is in top shape. This last year, we all know, has been very dry and certainly has made things a little difficult in maintaining roads. With the heavy maintaining we are doing and the dry conditions, rocks are showing up a lot more than previously. This is partly due to the heavy trucks and fast traffic that is on the gravel roads today. This year, the County has cut its gravel trucks down from eight to six, with one of the old trucks being kept in the yard to be used as a spare. With most all roads gravelled and just the re-gravelling to do, we think the six units will handle the situation quite well. This winter, we already have completed 35 miles of road, and we will complete the crushing by the middle of March of 75,000 yards of ¾" crush in stockpiles.

We have also put up four new 24'x48' steel building, one each at Brant, Lomond, Champion and Carmangay, to house the motor graders. This work was also done on the winter works program.

The report of Mr. O'Reilly and Mr. Dersch, Public Works Foreman, appears in the printed financial statement, and will serve to give more complete details as to number of miles improved, by divisions, and other detailed information.

In closing, I wish to express my thanks and that of the Municipal Committee, to our efficient Public Works Department — Mr. Rea who is in charge of our repair shop and all machinery, with his staff of mechanics; Mr. Dersch who is Construction Foreman, and his staff; and Mr. O'Reilly who looks after the gravelling trucks and the general repair of roads. We believe that the County is getting excellent value for the money being spent, and I am sure you ratepayers will agree with this.

**REPORT OF J. M. McKAY**
Chairman, School Committee

When the County commenced operations in January, 1951, it included parts of five separate school divisions. The biggest job facing the County Council, said Mr. McKay was to get the ratepayers and other residents to look upon and accept the Connty as a single unit rather than as an aggregation of separate districts or communities. In the past ten years, great progress has been made in this regard and great progress has also been made in the matter of providing better educational facilities.

In 1951 schools in most County centres were old and inadequate. By 1960, good school plants had been built in almost every area of the County and the last, at Lomond, is now under construction with a completion date of Aug. 25, this year. The building program is now fairly complete, said the chairman, but never be deemed to be completely "finished" if the school population continues to increase.

On pupil instruction, Mr. McKay said that the teacher shortage in the immediate post-war years was in the lower elementary grades. The heavy post-war enrollment is now showing up in the high school grades and the shortage now is of high school teachers. The teacher supply is still not catching up to the need and it will likely be several years yet before this situation is stabilized. Qualification of staff has improved considerably. In staff turn-over, Vulcan County schools are about average at 20%. The lowest staff turn over is in the areas near cities, with an 8% turn-over being the lowest. Greatest staff turn-over is found in the Peace River Block, with the highest there being 38%.

Centralization of high school education has been done to some extent this term, with Brant, Mossleigh, Arrowwood and Champion students now taking Grade 12 at Vulcan. This was done to give Grade 12 students a better opportunity, as in the past few years job opportunities have not been as great for the three out of four farm children who leave home to gain employment. Industry now wants better-trained young people and university entrance requirements are also stiffer. This centralization of Grade 12 seems to be working well, said the school chairman.

**Transportation**

It has been the School Committee's objective to give van service that is as good as possible and this is one of the few areas in the province that gives almost door-to-door service.

All van drivers hold Class A licenses and both regular and spare drivers are all registered at the County office.

The Committee has continued the policy of not transferring private van routes and if a private operator wishes to give up his route the County will take it over.

The modernization of school teacherages program is still being carried out.

**Use of Auditoriums**

A subject that has again come up for discussion is the public use of school auditoriums, said Mr. Mckay. The County's policy has been that the auditoriums could be used free of charge by such organizations as the Home and School, Agricultural Service Board and Civil Defence. A resolution was passed in 1957 that the auditoriums also be made available at a fair rental to ratepayers (when not required by the schools) for non-profit activities beneficial to the ratepayers as a whole.

The whole question of use of auditoriums has been re-examined by the School Committee and the County Council as the result of a request that they be made available for use as community centres. It has been decided that, as there are no catering facilities, the halls would not be suitable for use as community centres. In addition, community halls now existing in the smaller centres would suffer if unlimited use was made of the auditorium. If needed for non-profit functions too large for existing community halls, auditoriums will be made available at a fair rental, but the County Council has confirmed the policy that the school auditoriums will not be made available for public dances.

**School Taxes**

Referring to the school tax rate, Mr. McKay said that at 30 mills the County of Vulcan school tax rate is the second lowest in the province. Lowest is the Macleod School Division (29 mills). At Olds, which is a comparable high assessment area, the rate is 44 mills. Highest rate in the province is 47 mills. Government grants to the County of Vulcan for education purposes last year were about 39% of expenditures for school purposes.

A new plan for school financing will be presented to the provincial legislature for approval during the session which has just started and is awaited with considerable interest.

They say that five minutes before this photo was taken Tuesday, Feb. 14, Bud Andrews was seated in his car in front of the Post Office listening to the noon hour news on the radio. Suddenly he was jarred back to the local scene when fire erupted in the car motor. The Fire Brigade was called and a hand extinguisher put out the short but damaging blaze.

# W.I. Has Fund For School Band

The regular meeting of the Reid Hill WI was held at the home of Mrs. Frieda McRoberts, Thursday, Feb. 9, with a good attendance of members and visitors. Assisting hostesses were Mrs. Peggy Myers, Mrs. L. Healy and Mrs. Jack Marshall.

Mrs. Ray Harold, president was in the chair and conducted the meeting, assisted by secretary, Mrs. J. French. The treasurer's report was given by Mrs. C. L. Kuykendall. Correspondence was light and dealt with routine matters. The new programs were given out and received many fine comments. E. G. McPherson was present and was called upon to address the meeting regarding a fund raised several years ago for the purpose of having a school band here. Inasmuch as the fund was not being used for the purpose for which it had been intended the branch had inquired as to the feasibility of trying to have it made available for scholarships. Mr. McPherson, who had been on the committee that had been responsible for setting up the fund explained that it could not be used for any purpose but for the original one of forming a school band. The meeting thanked him for clearing up the matter.

At the conclusion of the business session the meeting was turned over to Mrs. Marshall, who conducted a game with the Valentine, as roll call. Winners of this contest, which was original and proved most interesting were Mrs. Kuykendall, Mrs. J. French and Mrs. F. South. Members then played "Hearts" and winners in this event were Mrs. J. French and Mrs. O. B. Roe.

Mrs. J. French was the winner of the tea draw, after which a delicious hot lunch was served. The next meeting will be held at the home of Mrs. E. Deal, Thursday, March 9.

Miss Leone Jones of Calgary spent a few days at her home here, this week.

Mr. and Mrs. Ralph Richardson are receiving congratulations on the birth of a son on Feb. 14, at the local hospital.

# Palmer Boys Fight At Billings

Two Vulcan boys, Harold and Jerry Palmer, helped make up the Canadian team of boxers that journeyed to Billings, Mont., to take part in the Midland Empire Golden Gloves Tournament. The other Canadian entries were three boys from Cardston; Mike Steele, Sugar Red Crow and Gilbert Crow Chief. This tournament put on by the Shriners of Billings, was a three-night affair, with the eliminations and semi-finals run-off Feb. 10 and 11; then the finals staged on Monday, Feb. 13. There were some 82 entries, from five states and Canada, with many amateur ring veterans and past champions included. Jerry Palmer was the only Canadian to make the finals, although the other four boys put up good close flights, to be only slightly out-pointed in the elimination contests.

Jerry, 16, a flyweight, entered the finals by virtue of a bye in the first go-around; a decision in the second when he fought Dennis Miller from Butte; and a K.O. over Michael Hauk of Lodge Grass, Mont., in the semi-finals. The other successful flyweight was Bud Satre, 19, of Great Falls, who won three fights by decisions to enter the finals. The final fight in this division was one of the many close hard-hitting contests of the tournament, with both boys displaying plenty of ring ability. Satre won the decision as he had in all of his 25 previous fights, to become the Flyweight Golden Glove Champ. Jerry was named runner-up and received a beautiful trophy for his efforts. All Billings Golden Glove Champions are eligible for the Chicago Golden Gloves Tournament and are sponsored by the Shriners of Billings.

Vulcan boxers are scheduled to compete next at Black Diamond on Saturday, Feb. 25, when four local boys may take part.

# Many Business Items At C.W.L. Meeting

The Vulcan Council of the CWL met at the home of Mrs. Kay Peard with Rev. Father Marien and 14 members present.

Father Marien opened the meeting with recitation of the League prayer. Roll call, reading of the minutes and financial report followed. Mrs. Les Shaw, Educational Convenor gave a brief talk on Catholic Press Month and showed the various magazines. She stressed that at least one of these should be subscribed to in each home. This was followed by a discussion led by Mrs. Louis Shaw, spiritual convener.

It was decided to hold a Ham Bingo about the middle of March, a date will be announced later. The ladies of the Parish will cater to the Teachers Institute dinner early in March. A special collection will be taken up in the Parish and a donation of $25. is to be forwarded to the Provincial Crech in Calgary. A motion was passed to continue the Bridge and Whist parties every other Friday. Repairs to the basement of the church are being done and the next card party will be announced in approxamately two weeks.

Plans are being made to hold a quilting bee with Mrs. Lefevbre as instructress. The quilt will be raffled in the fall.

A general cleaning of the church will be done three times a year, the first before Easter, when all the ladies of the Parish will be asked to turn out so that a thorough job can be done.

The meeting was brought to a close and Father Marien imparted his blessing. While lunch was being prepared by Mrs. Peard and Mrs. Don McKay, Mrs. Lefevbre gave a musical contest, the prize being won by Mrs. Edythe Calhoun. Tea prize was won by Mrs. Kay Peard.

TRAMWAY IN THE SKY—The steel framework of an aerial tramway tower juts boldly from a Yukon mountain peak. It is part of a system to hoist men, food and fuel to mountain-top sites on the 1,200-mile Canadian National Telegraphs microwave network between Grande Prairie, Alta., and the Yukon-Alaska border. When completed late in 1961, the network will be a vital defence and civilian communications link between Alaska and the United States and will improve telephone and telegraph communications throughout the Canadian northwest. For most of the route, the microwave towers follow the Alaska Highway.

## MOSSLEIGH

**Men's Open Bonspiel**

The Men's Open Curling Bonspiel re-opened Sunday evening, Feb. 12 and was concluded on Monday morning, Feb. 20 with a break in the middle when the ladies took over.

The results were as follows: First Event— A. Stevens, R. Brown both of Mossleigh; J. Thurber and D. Paradee, both of Blackie. Second Event— D. Beagle of Arrowwood; J. Thurber, Blackie; F. Wilson and R. Despas, both of the Mossleigh club. Third Event— E. Brinton, Mossleigh; P. Brown, Arrowwood; F. Mason and A. Hohn, both of Mossleigh.

Ben Powell was the winner of the electric shaver that the men raffled.

**Ladies' Bonspiel**

The Ladies' Curling Bonspiel opened on Feb. 15 with 13 rinks taking part in three events. The ladies were treated to a turkey banquet the first day.

Winners were:— First Event— Bessie Leslie, E. Elliott, P. Tharle all from Mossleigh, and M. Huntley from Lyalta. Second Event— A. Thurber, D. Scott, both of Mossleigh; B. Beagle, Herronton, and D. Paul of Blackie. Third Event— W. Clifford, Gleichen; L. Brause, Mossleigh; H. Switzer, Herronton, and the high school rink skipped by D. Elliott, Mossleigh.

The non-winning rink was from Brant, skipped by L. Brown, but they did not go home empty handed, they each received a flower.

**Lions Club**

The Mossleigh Lions Club held their first annual Charter Night on Feb. 17, in the Mossleigh Hall. About 130 Lions, their wives and honored guests sat down to a banquet supper, sponsored by the Mossleigh WA. Clarence Green was toastmaster and Alvin Stevens said the Invocation.

Seated at the head table were Bob Seeley DDG and his wife; Archie Hay and his wife, Don McNiven, County representative and his wife; Elwood Myers, Zone Chairman and his wife, and District Governor Al Horner and Mrs. Horner. Bob Bertschy proposed the toast to the ladies and Mrs. F. MacDonald responded. Ed Robinson made the presentation to Mrs. Horner.

A sing-song followed the supper and the evening concluded with a dance, open to the public, with a mid-night smorgasborg supper.

## Water Development on Prairies in 1960 sets all time high

Regina. — Financial assistance extended by P.F.R.A. on water development during 1960 reached an all time high of $850,862.83. In terms of projects built under this program, this assistance represents the construction of 4,155 individual farm water storage projects to January 31, 1961. Outstanding accounts still to come in are expected to increase this number by a further 500, making a final total of around 4,700 projects constructed for the full fiscal year.

The reason for this increase in activity has been partly due to the extremely dry weather conditions that prevailed last summer and the relatively open fall which permitted construction activity to continue well into the latter part of November.

A further incentive has been the Federal Government's policy to increase the rates of assistance paid on water development works which have been in effect since April 1, 1959. Under this new rate-scale, assistance on individual farm projects and community water storage and irrigation schemes has been increased from payment of one-third of the cost of construction to approximately 50 percent. Engineering advice and assistance in the planning and design of such projects are provided free by the Prairie Farm Rehabilitation Administration.

Since the inception of P.F.R.A. in 1935, which saw a start to this program, over 65,000 water development projects have been built with P.F.R.A. engineering and financial assistance on the prairies. Modernization on the farm has been a principal factor in stimulating demands for more plentiful and dependable farm water supplies and bring about a greater realization of the importance of developing and making more efficient use of this valuable resource.

In particular, water development facilities which have been built over the past 25 years have played a major role in meeting demands for irrigation to assure livestock feed supplies and irrigate farm gardens. Although many of these schemes supply water to irrigate only small acreages of land individually, when taken together they serve an impressive land area estimated to be well over 100,000 acres.

# Carmangay

Mr. Soder and Mr. Pearce of Vulcan visited the Carmangay Cub Pack on Wednesday, Feb. 15, and conducted the meeting.

Cubs and Scouts invested from September on were: Cubs— Larry Fraser, Keith Benning, Kenneth Mrazek and Doug Miffin; Scouts— Roy Stotz, David Baldwin, Bernard Street, Dick Moore and Robert Clark.

Two rinks of the Ladies' Curling Club participated in the Champion Bonspiel on Wednesday, Thursday and Friday.

The West Country Club met at the home of Mrs. J. Mifflin on Wednesday with seven members present. President Mrs. Lorrelli Craig opened the meeting. It was decided to canvas the west country for the Red Cross and Cancer fund. Roll call was answered by, "How I proposed to my husband." Mrs. Mifflin won the raffle. A delicious lunch was served by the hostess. The next meeting will be held at the home of Mrs. Melvina Rommele.

Relatives and friends were sorry to hear that Mrs. L. McFarland is a patient in the Carmangay Hospital. Get well wishes are extended to her. Mrs. McFarland's daughters, Mrs. Hazel Smith of Calgary and Mrs. Barbara McDonald of Edmonton are visiting with her.

A number of friends motored to Calgary Saturday to attend open house of Mr. and Mrs. Don Yeomans and family.

Mr. and Mrs. M. Cross were Sunday and Monday visitors at the home of Mr. and Mrs. Alfred Mollander and family at Eckville.

Mr. and Mrs. Vernon Soderquist motored to Calgary to meet Mrs. W. H. Miller who flew from Penticton to Calgary. Mrs. W. H. Miller will reside with her son and daughter-in-law, Mr. and Mrs. Wallace Miller and family.

Practices are now in full swing for the annual Lions Barn Dance which will be held some time in March, under the direction of Vernon Soderquist and Keith Clark.

F. Whitmarsh, passed away after a short illness on Friday, Feb. 17, at the Municipal Hospital, Lethbridge. Burial will be at Wolfe Island, Ont.

Mr. and Mrs. Art Brown of Milo visited at the home of Mr. and Mrs. R. Minty and family on Saturday, Feb. 11.

**North Priscilla Club**

The North Priscilla Club met at the home of Emma Hauser, Feb. 15, with 11 members present. The meeting opened by repeating the Club Creed.

The secretary was to get in touch with the Felicity Club and see if March 8, would be suitable to entertain them instead of March 11. The business part of the meeting adjourned and the birthday committee then took over. Games and contests were enjoyed by all. The raffle was won by Martha Nelson.

A delicious lunch was then served by the hostess and her helpers. The table was beautifully decorated and a delicious cake centered the table. Hazel Lyckman received a beautiful birthday gift. At the close of lunch Hazel Lyckman thanked her Sunshine friends for the lovely gift and the hostess for the lovely birthday party.

The next meeting will be held at the home of Ruth Schumaker on March 1. Roll call, "Betterment of the club," have it written out.

**CELEBRATES 90th BIRTHDAY**

Mrs. Nellie F. Crow celebrated her 90th birthday in Calgary, where she is spending the winter with her son and wife.

W. R. Crow and wife held Open House in her honor. Many friends of the family attended. Mrs. Buryl Folk of Edmonton came down to be with her mother for the occasion, as did Mrs. Roy Craig, who has spent three months in Shelton, Wash., and came home to be there. Mr. and Mrs. Jim Craig of Carmangay also attended.

Mrs. Crowe came to Alberta in 1915. She and her husband, John R. Crow settled on a farm south and west of Carmangay where she lived until 1955, when she moved to town with her son-in-law and daughter, Mr. and Mrs. S. R. Craig. Mrs. Crow came of pioneer stock as both her father and mother crossed the plains to California, U.S.A. in 1849 in a covered wagon. Later they settled in the Willamette Valley where Mrs. Crow was born in Munroe, Oregon.

Mrs. Crow is in quite good health. She expects to be home to her friends in March at Mrs. Craig's home in Carmangay.

**Fish & Game Banquet**

The Carmangay Fish & Game Association held their annual wild game banquet on the evening of Feb. 11th. About 150 members and guests attended in spite of the incelemat weather.

Frank Burgess, as master of ceremonies, introduced the speakers and guests at the head table. Bruce Stewart, Manager of Alberta Fish and Game, spoke of the importance of conservation of our lakes, streams and forests, emphasizing that it is the duty of each and everyone of us to do our part. Grant Campbell, Game Officer from Lethbridge and Dave Hunt, president of Lehbridge Fish and Game, also spoke briefly. Kai Hansen of Stavely, Regional Representative, presented Frank Fishey of the local club with a certificate of merit from the Alberta Fish and Game Association.

President, Alvin Anderson, presented prizes to the winners of the Fish Derbys and trophies to the winners of the Pike derby were Larry Lyckman, Norma Rowe and Eric Rowe. In the Trout derby Calvin Teskey, Billy Yanosik, Emma Hauser and Frank Houser won the prizes.

Big game trophies went to Lloyd Greene, Elk and Roy McLeod, Moose. The pheasant trophy was won by Vernon Soderquist. Two very interesting wild life films entitled "Mallard Bay" and "The Face of the Frozen Artic" were enjoyed by everyone.

The banquet was served by the W.A. of the United Church. Out of town guests were from Calgary Stavely, Lethbridge and Barons.

**Cubs and Scouts**

The Cubs and Scouts held their annual Father and Son Banquet on Tuesday, Feb. 14th in the Community Hall in tribute and memory of the Baden Powell, founder of the Boy Scout Movement. The tables and Hall were decorated with Cub and Scout Emblems.

Wallace Miller gave the invocation. Doug Johnson proposed the toast to the Queen. Miles Letal proposed the toast to the Fathers which was ably replied to by Ben Coombs. Wes Knight, chairman of the evening introduced the head table guests, Roger Jensen D. C. of Champion, Norm Soder A.D.C. of Vulcan and guest speaker R. T. Clarke, Field Com. Lethbridge.

R. T. Clarke gave a very interesting speech entittled "Be Prepared."

Doug Johnson presented Don Miller with a 5 year service star.

A list of names were given of boys who have earned their religion and life badges.

Chairman Wes Knight gave a report of pack and troup progress from Sept. 1st to Feb. 14th.

**Cub Investitures**

One received 1st star, three received 2nd stars,12 received proficiency badges, 7 received service stars, one received a cub instruction badge and 2 received leaping wolf badges. There was one interpack visit, and a successful handy craft session was held.

**Scout Investitures**

Five Scouts received 2nd class badges, 6 earned their relegion badges and 7 earned their life badges. A very succesful winter camp was held which was the first camp of the type held held in the Lake McGregor District.

Banquet activities were followed by a camp fire led by R. T. Clarke which consisted of a sing-song and skits put on by the Cubs and Scouts.

The campfire closed with the hymn, "Abide With Me," and Scout Vespers. On display during the evening were Scouts' progress and point charts and a pully chair made by Scout Leaders and Scouts, also cut handycrafts, six boxes and scrap books.

The banquet was very capably organized by the group committee and served by the mothers of the Cubs and Scouts.

**RATEPAYERS MEETING**

The annual meeting of the ratepayers of the Village of Carmangay was held on the evening of Monday, Feb. 13, at which the main item of business was a study of the Financial Statement for the year 1960.

The largest item of expenditure was under Public Works amounting to $21,515.05. Of this $4,668.60 was spent on streets and $13,981.46 on sidewalks during the year. The provincial government assistance grant for sidewalks amounted to $12,608.00.

General Government expenses amounted to $3,103.02, Fire Dept., $767.64. Street lighting, $913.61 and Police, $100.00.

The total for Health amounted to $2,290.68. Welfare, $59.75; Education, $9,581.40; Recreation, $144.21.

Debenture debt retirement amounted to $2,710.54. The grand total of expenditures amounted to $44,542.45.

The main items of revenue apart from sidewalk grant consisted of $19,748.11 in property taxes and $1,890.20 in frontage taxes. The municipal assistance act grant amounted to $2,925.09. Sewer service charges and custom work totalled $3,022.38 and water works surplus of $1,476.73 were noted. The net deficit for the year amounted to $844.28 in addition of the amount of $1,786.04 expended during the year on capital account for the purchase of a new tractor.

It was the general feeling of the meeting that in view of the extensive work carried out during 1960 on public works and water and sewer extensions which could not be included in the budget that the village was fortunate in coming so near a balance. The mill rate for 1960 was 54 of which 30 mills were allotted to education; 4 to hospital; 2 to hospital benefits act and 18 for general revenue.

## Activities At Church of Christ

The February meeting of the Candlelight Group of the Church of Christ was held at the home of Mrs. Myrtle Haydamack. There were 18 ladies present and roll call was answered with a Bible verse containing the world 'Heart.' Mrs. Nelsie Robertson brought the devotional thought of the evening, entitled, "Keeping the Vision Clear" and took her text from Psalm 8.

During the business session, presided over by Mrs. Lilly Schmidt, a report was given concerning parcels of clothing sent to missionaries in Alaska. A committee was set up to take care of articles completed for the bazaar to be held later in the year.

Valentines, very beautiful and varied in design, were exchanged between 'Pollyannas.'

The meeting was brought to a close with the serving of a delicious lunch by the hostess, assisted by Mrs. Elsey Hollister and Mrs. Betty Wickstrom.

* * *

Last Sunday, in the minister's absence, Preston Wilkins of Calgary was the guest speaker. Mr. Wilkins chose as his sermon theme, "So you think you have love." Mrs. Danny White, also of Calgary, was the guest soloist and the ministry of these folk was much appreciated.

On Wednesday of this week the Young People are planning a Valentine party and at that time special guests will be Mr. and Mrs. Larry Tease who are ministering in Taber at the Church of Christ there.

THE SEEBE CONTROL CENTRE, located near Calgary Power's first hydro plant at Horseshoe Falls, is the automatic and remote control headquarters for ten of the eleven plants on the Bow River system. These automated plants provide a total capacity of 420,000 horse power.

From the Control Centre one man can regulate power going to farms, homes, cities and industries. Control extends to the Wabamun Thermal Plant near Edmonton.

Remote control equipment initiates automatic sequences at the various hydro plants and indications are received by the operator of equipment condition at each location and in the transmission area.

Photo includes new panels recently linked to new units at Spray and Rundle Plants. Because the Control Centre is unique in the percentage of plants under automation, the Company tells the story of the system in a film, "Behind Your Clock."

## BLACKIE

There was a good attendance at the regular meeting of the Blackie Home and School Association on Feb. 14th in the school.

The Senior Basketball teams played in Forest Lawn on Friday evening and the Blackie girls and boys were victorious. The Forest Lawn group were very hospitable and all enjoyed a lovely evening. Following the game, the teams were treated to free lunch in the school auditorium at Forest Lawn which was most appreciated. The local teams have been invited to play at Bowness in two weeks time.

Miss Carol Black of Milo was a week end guest at the home of Mr. and Mrs. Jim Stier.

Mark Yeomans, who is a patient in the Holy Cross Hospital, Calgary, is suffering from the flu. Friends wish him a speedy recovery.

Mrs. Lil Manville of Calgary spent a few days here visiting with friends.

Milt Finley and Alex Lahnert travelled to Lethbridge to visit with George Scott. Mr. Scott is a patient in the hospital and expects that it will be two more weeks before he is able to return home.

There is to be a Mixed bonspiel here from Feb. 27 to March 4. Entries may be phoned to 352 or written on the board at the rink.

The C.G.I.T. held a successful Tea and Bazaar and bale sale on Saturday afternoon, realizing over $100.00 in profit. The bazaar items, made by the girls, sold very well but there are a few pieces left for sale. A donation will be made to the Church choir for purchase of gowns. The girls plan a party in the near future.

Sympathy is extended to Mrs. Despas of Farrow and Mr. and Mrs. Ray Despas and family of Herronton on the loss of their husband and father.

Dally Wooldridge will represent the Blackie Co-op at the three day convention in Regina, Feb. 20-21-22, of the Federated Co-operative Associations. Representatives will be from Alberta, Saskatchewan and Manitoba.

John Rathgeber is a patient in the hospital at High River.

Miss Maxine Suitor was a week end guest at the home of Miss Barbara Beagle at Forest Lawn.

The pupils in grades one to six were treated to Valentine parties at school on Tuesday. Guests were the pre-school age children with the grade one class. Each class held their own party of games etc. and enjoyed a lunch.

In the Ladies Bonsiel at Mossleigh this week the team of Mrs. Jack Thurber, Mrs. Lincoln Lindquist, Mrs. Ted Percival and Mrs. Gateman won first prize in the Second event. Mrs. Mac Switzer, Norma and June Malmberg and Mrs. Len Green won Second in the Third Event and Mrs. Alex Paul, Mrs. W. Groenveld, Mrs. Bob McWilliam and Mrs. Herb McWilliam won fourth in the Second event.

Fairview Rebakah Lodge entertained their husbands, members of Plainview I.O.O.F. Lodge and wives at an annual anniversary party on Monday evening. There were fifty-two present, including a number from Brant and Herronton.

# Banff Convention Report, Sportsmen's Night, Feb. 27

Speakers and films have been lined up for the local Fish & Game Annual Sportsmen's Night, next Monday, Feb. 27. Beginning with a banquet at 7:00 p.m., in the Vulcan Cafe, guests will hear from Gordon Cummins, president of the Alberta Fish & Game and C. W. Johnson, of the Calgary Association. Trophies will be given and two films, one titled "Mallard Bay" will be seen.

(Report submitted by Fish & Game President W. Holton)

Having just returned from the 32nd annual convention of the Alberta Fish and Game Association in Banff, your delegate, W. Holton is most happy to report a very successful conference. It was the largest one to date with 307 delegates and visitors attending. The president, Gordon Cummings remarked that the convention had taken on a new look with 70 ladies present.

69 resolutions dealing with the different aspects of hunting and fishing were thoroughly discussed Some were carried, others defeated and still others tabled. For further information on these, please come to our March meeting.

Speakers for the occasion were: the Hon. Norman Willmore, M.L.A.; Curt Smith, Director of Fish and Wildlife; Frank Butler, Director of Fish and Wildlife for B.C.; R. Ferrie, Sec. Co-ordinator of Sask. Fish and Game; Ed Nelson, F.U.A. representative and Ron MacKay of the Canadian Wildlife Service. All speakers provided interesting and informative talks.

The affair concluded with a banquet in the huge dining room of the Banff Schol of Fine Arts. The speaker for this occasion was Mr. J. Walganski, president of Washington State Sportsmen's Council of Seattle. He also showed two very impressive films, one entitled "Your Boy and Mine", dealing with the training of juniors in conservation of wildlife. The other film dealt with the damming of the mighty rivers and its effect on the salmon fishing industry.

Now, having outlined the highligts of the convention, may I remind you of our own Sportsmen's night coming up. The committee has planned a very enjoyable evening, starting with a banquet and topped off with speakers, films and presentations, so let's all be there Feb. 27.

## Annual Liberal Meeting March 14

Plans for welcoming Lester B. Pearson, the Liberal leader, to Macleod riding, were made by Macleod Federal Liberal Association executives at a meeting held at Claresholm on Saturday afternoon. Mr. Pearson plans a trip west in May or June and Blairmore delegates put forward a strong bid to have him speak there when he comes to Macleod constituency. The executive members, who numbered 25, came from Vulcan, High River, Nanton, Stavely, Carmangay, Claresholm, Pincher Creek and the Crowsnest. They also made plans to hold their annual meeting for the contituency on March 14, a day when many other Alberta Liberal groups will organize for 1961.

Earl Hastings of Calgary, Alberta Association president, spoke briefly on the organization meeting held at Red Deer early in February and on the plans for a province-wide publicity campaign.

A committee to nominate officers for 1961 met directly after the meeting to draw up a slate and another committee was given the job of organizing the association meeting.

Dr. Gordon Burton of Claresholm and Varno Westersund of Blackie reported the events and discussions of the national Liberal rally held at Ottawa in January and described the down-to-brass-tacks committe work done on the party's election platform for next election. Dr. Burton commented on the number of outstanding capable people who gave expert advice and dealt with very difficult subjects, and on the goodwill which existed between the French and English speaking delegates. Mr. Westersund reported on the work of the defence committee, his comments being followed by a considerable discussion on the best way to empower delegates to vote in such a gathering.

## Haidner-McAfee Rites At Edmonton

A gown of white peau de soie styled on princess lines was worn by Miss Terlene Flora McAfee for her wedding, held recently in McDougall United Church Chapel, to Frederick Haidner of Thompson, Man.

A chapel veil misted from her headpiece and she carried a bouquet of red delight roses and ivy.

Rev. John Clarke conducted the wedding ceremony for the daughter of Mrs. David McAfee of Edmonton.

Attending the bride as matron of honor was her sister, Mrs. Howard St. Peter and bridesmaid was Miss Ronon St. Peter, both of Red Deer. They wore gowns of emerald and forest green velvet styled with long sleeves and cummerbunds. Their flowers were bouquets of white baby chrysanthemums and ivy.

Flower girl was Margaret Keltie of Spruce Grove, who wore a frock of pale green velvet trimmed with white lace. She carried a basket of white Shasta daisies.

Best man was David Solick of Calgary and groomsman was Ronald Soley of Lacombe and V. McAfee.

Soloist was Mrs. William Soley, accompanied by Mrs. John Clark.

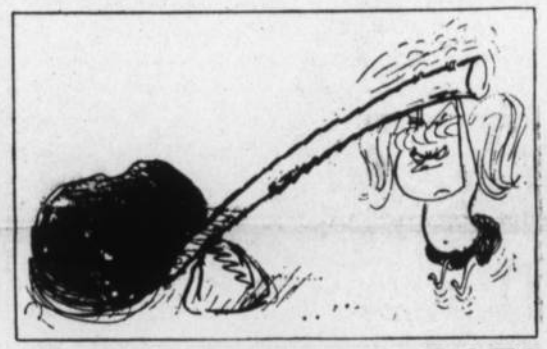

At the reception, held in the Windsor Room of the King Edward Hotel, Joseph Majakey proposed the toast to the bride.

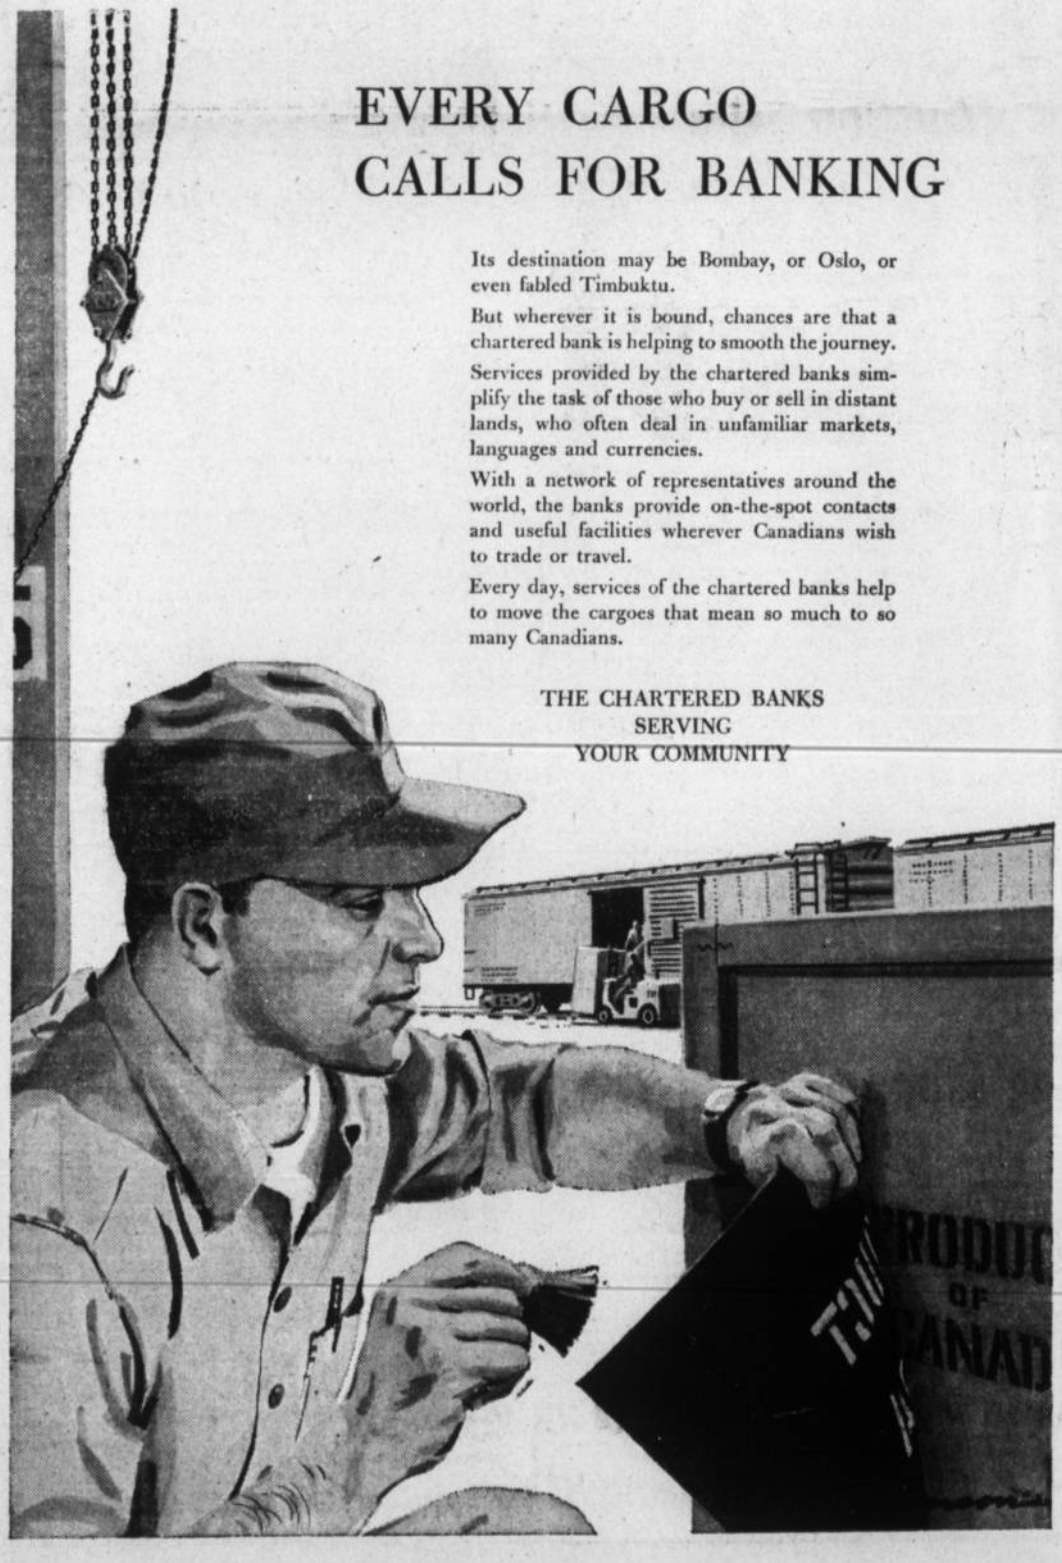

Mr. and Mrs. Haidner will live in Thompson, Man.

THE GREEKS HAD A WORD FOR THIS TOO
It was Archimedes who said "give me a lever long enough and a fulcrum strong enough and single handed I can move the world." It is a good thing to know in case things ever get that bad!
With devices like the lever, primitive man multiplied the power of his own muscles. Today he puts other energy sources to work.
Only a small fraction of work in Canada is done by man's muscles—the rest is done by machines. Oil to power these machines and to fill other energy needs has been made available by companies like Imperial at reasonable prices wherever it is needed. Because of this, Canadians have turned to oil for more than half their energy requirements—they use it at the rate of more than 1,000,000 gallons an hour.
Esso IMPERIAL OIL LIMITED
...for 80 years Canada's leading supplier of energy

St. Aldhelm's Church is holding Open House on Sunday, Feb. 26, from 7:00 to 9:00 p.m., to enable the Rev. and Mrs. Johnson to say farewell to their many friends before leaving Vulcan to take up duties in Taber on March 1. 29-1

Mr. and Mrs. W. A. Shields entertained the staff of M. R. Morrison Ltd., and their wives on Saturday evening.

Mrs. A. Taevere has been a patient in Grace Hospital, Calgary.

A regrettable error last week resulted in the leaving out of an advertisement extending an invitation to friends of Mr. and Mrs. George Flebotte of the Ensign district to attend Open House at Ensign on the occasion of Mr. and Mrs. Flebotte's 60th wedding anniversary.

A church parade for Scouts, Guides, Cubs and Brownies will be held on Sunday, Feb. 26, at the Church of Christ. The parade will form up at the Legion Hall at 10:15 a.m., to march to the church. Uniforms will be worn and the encouragement and co-operation of parents will be appreciated by those in charge.

The contest held by the Vulcan West FUA for prizes given to the best posters in connection with their February dance was judged by Mr. Mumby and Mrs. Sales, assisted by several teachers. First prize went to John Duckmanton, Grade 10; second to Bev Ully, Grade 9, and third to Pat Christianson, Grade 8.

Miss Carol Ann Berg of Calgary visited with friends here over the weekend.

Friends of Phil Lucas will be sorry to learn that he recently underwent further surgery at the General Hospital in Calgary, on his arm, injured in a farm accident last fall. Mrs. Lucas visited with her husband on Saturday and reports that he is making progress.

Mr. and Mrs. Percy Myers were Sunday guests of Mrs. Virgil Vaughn, at Champion.

Friends of Mrs. Bill Loose will regret to learn she is presently a patient at the local hospital.

Mr. and Mrs. Charles Northcott and Betty Ann accompanied by Mrs. Nelsie Robertson, Merla and Susan visited with Eddie Robertson at Rockyford, where he is teaching, on Sunday.

Jim O'Reilly, Johnny Douville, Doug Green and Art Bacon left Sunday morning for Chatham, Ont., to take delivery of trucks for the County.

The regular meeting of the Ladies' Auxiliary to the Canadian Legion was held on Wednesday evening, but due to the extremely cold weather only six members were present. Mrs. W. Sparks, the vice-president occupied the chair in the absence of the president, Mrs. A. C. Marsh. Mrs. F. Standing, secretary read the correspondence which was light, but did include Mrs. Beckner's transfer to the Vulcan branch, from Taber. At the conclusion of the business session lunch was served by a committee.

Miss Patsy Robertson of Calgary visited recently at her home here.

Mr. and Mrs. Con Deal spent Sunday at Grassy Lake at the home of their son-in-law and daughter, Mr. and Mrs. Irvine Larkins.

Mrs. E. W. Sparks and Mrs. W. A. Shrigley were Monday visitors to Calgary.

The Junior choir of the EUB Church enjoyed a toboggan party at the Everett McIntyre farm on Saturday, later enjoying a wiener roast.

Weekend visitors at the E. W. Sparks' home were Edith Mensinger of Lethbridge and Garry Wright of Turner Valley.

Von Ostergaard of the Richardson & Gould garage and Bob Johnson of the Central Garage attended a General Motors School in Calgary last week.

E. W. Sparks left Monday evening to represent Lethbridge Lodge 205 at the District Board Meeting of the B. of M. of W.E., being held in Calgary this week.

Friends of Bob Nimz, Sr., will be sorry to learn that he underwent surgery at the local hospital the first of the week.

## Canadian Players Here Feb. 28

About The Canadian Players—

The Canadian Players is now the national touring theatre company of Canada and as such, starting initially as the result of the immense success of Ontario's Stratford Festival, has won laurels of its own, and just claim to the national recognition it is receiving from across the country.

Quotes from reviews of "The Caucasian Chalk Circle."—

Charlottetown, P.E.I. Those who had seen the play the previous evening ignored their offices and shops and drank coffee and talked about it, those who had not seen it sat on the outside of the circle and wished they had.

Brockville Recorder-Times, Ont. The Canadian Players have scored again — this time with The Caucasian Chalk Circle — Colorful, fast moving, highly dramatic, yet well interspersed with comedy relief. The Chalk Circle offers the Canadian Players a chance to show to a small town audience their great versatility as a travelling company.

Timmins Press, Ont. An audience of more than 400 indicated obvious pleasure Monday night with the performance of The Canadian Players in the Bertolt Brecht play, The Caucasian Chalk Circle — Perhaps this freshness of approach was a reason for the play's delightful impact on the receptive audience.

Neepawa Press, Man. Wrote one Toronto critic, after the first night tickets were unobtainable. It was one of the most exciting and entertaining productions to be shown in Toronto for many season.

The Canadian Players production of The Caucasion Chalk Circle is showing in Vulcan one night only, Tuesday, Feb. 28, under the sponsorship of the Vulcan Arts Council. Tickets are available at local stores.
